MURDER AT SCHENECTADY .-- On Sunday morning about 2 o'clock, a most atrocious murder was committed about half a mile from the Schenectady, on the I'roy road, by two brothers named Van Alen on a person named Garrit Steers. The deed was perpetrated at a house of ill fame, and it is said grew out of a quarrel about a girl who lived there. The Van Alens beat Steers till he fell to the ground, when he plead in the most moving terms, that they would save his life, but the unfeeling men paid no attention to his prayers, and violently jumped on his breast till life was destroyed. One of the murderers soon after surrendered himself and made confession; the other attempted to escape, but he was arrested on Sunday night.

Nay, youthful mother, do not fly,
Though pleasure lure and flatt'ry court

Sooth thy sick infant's mourning cry, And wake the smile that must transport

Life has no charm so deep, so dear, As that soft tie thou blindly leavest-No love so constant and sincere As that which fills the heart thou grievest

In all the bloom of beauty's pride-In all ambition's vainest splendor, Ne'er was thy woman's heart supplied With bliss so pure, with joy so tender.

Canst thou forsake that joy so soon? Canst thou forget the lips that bless'd thee. When bending o'er this precious boon, The father wept whilst he caress'd thee?

Is it for gauds of dress and dance Thou canst renounce a claim so hely, To win the warm insulting glance, And woo the praise of idle folly?

Then go ! a fair but fragile flower,

A dazzling, heartless, careless beauty, To risk thy fame—to lose thy power— That power which dwells alone with duty Go !- and thy bosom's lord offend, Consign thy suff'ring babe to sorrow-
